

Lymington Hospital Friends

Christmas News December 2020

Follow us online at www.lymingtonhospitalfriends.org

Seasons Greetings

The Trustees wish you a very Happy Christmas and hope that you can spend a 'festive time' with your families.

Thank you to all our many Friends and Volunteers.

We value your support, and look forward to working with you as we develop our plans in the new year.

Review of 2020

As you will be aware, due to the hospital's need for strict COVID security, we had to suspend normal volunteer services from March 2020.

Following the vaccine rollout, we hope to return sometime after Easter.

Prevented from running our planned activities, we held virtual fundraising events to continue to support patients. Our Lymington NHS Heroes appeal provided some welfare facilities for frontline staff.

Find out more by reading our full Review of 2020. There's a copy on our website here >> [Annual Review](#).

Making a difference - modern CT and Ultrasound Scanners

CT Scanner

Ultrasound

In use many times a day providing fast accurate detailed analysis. Lymington's new modern CT and Ultrasound Scanners are very popular with patients and staff. We contributed £575,000 towards the new CT Scanner in 2019. In 2020, **with your support**, we are donating £61,000 towards a new Ultrasound. [Find out more and how you can help](#).

Introduce a friend today - help us reach 1,000 Friends!

We need **your help** to build our community of friends to support the amazing work of our local hospital. You can help to share information about the work of our charity, take part in fundraising and donations. Please ask your friends to join us here >> www.lymingtonhospitalfriends.org/friends.

Ron Shields, new CEO Southern Health

The Trustees held a very productive meeting with Ron Shields, new CEO of Southern Health Foundation Trust. We shared our future plans and Ron explained that he was looking forward to working with the Friends to champion patient care and service improvement. Ron welcomed the very strong relationship the Friends have established with the hospital, and in the local community, he particularly wished to thank all friends and volunteers for your continued support.
